

Efficiency	>85%
Power Factor	>95%
Case TC°	80C° Max
Protection	Input/ Output
Storage	-30C°/ +90C°
Humidity	95% RH max
IP Rating	IP 60
Dimmable	Dimmable
Wattage	5W

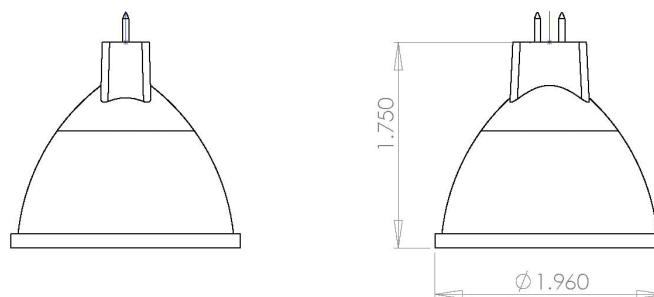

FEATURES

- Dimmable, Long life, Energy Saving, Instant On
- Direct replacement for standard Halogen bulbs
- Low voltage input 12V
- CREE LED source
- High CRI
- Aluminum casing for optimal heat dissipation
- Flicker free dimming
- UV free, Contains no mercury
- Will not fade colors, excelent choice for art displays, furniture illumination, and decoration
- 30,000 life in hours

ELECTRICAL SPECIFICATIONS

12V				
Model #	Input Voltage	Beam Angle	Color Temperature	Size (MOL)
BL15WRGB25	12V AC/DC	25°	RGB with remote control	52(45)HX50 OD
BL15WRGB45	12V AC/DC	45°	RGB with remote control	52(45)HX50 OD

MECHANICAL SPECS.

*Under confirmed thermal condition
