

6W, 12V AC/DC Series
Dimmable LED Module

Wattage	6W
Input Voltage	12V AC/DC
Lumens	400lm
CCT	3000K
CRI	80+
Beam Angle	25°, 40°

FEATURES

- Dimmable, long life, energy efficient, instant-on
- Low Voltage input 12V AC/DC
- High CRI 80+
- Aluminum casing for optimal heat dissipation
- Contains no mercury
- UV free; will not fade colors, excellent choice for art displays and furniture illumination, task lighting and general illumination
- 30,000 hour lifetime
